Dear Authors

Thank you for your email and for selecting our journal to publish your paper.

Kindly be informed that your submission has been received.

We will check the submission and all other requirements and will get back to you with our feedback about the submission before or latest by 19/2/2018.

Meanwhile and before we proceed with your submission we like to draw your attention that the publication in JESTEC is not free of charge.

Effective 22/11/2017 we charge USD200 per article. The fees include submission, reviewing, editing, publishing, and uploading the accepted articles in JESTEC website.

Upon the full acceptance of your paper, publication fee must be paid before the article is published in the journal website.

Kindly, indicate that you agree with the following so that we process with your submission..

Best regards

Dear Author,

Thank you for submitting your research paper to the Journal of Engineering Science and Technology (JESTEC).

Kindly note that we have received the paper entitled

**IMPLEMENTATION OF ANALYTICAL INVERSE KINEMATICS SIMULATION METHOD FOR 5-DOF PARALLEL MANIPULATOR**

Your paper ID is **ME17176** *(Please quote the above manuscript ID in all future correspondence with us)*

1- However, your submission to JESTEC is incomplete without satisfying other documents.

2- Please refer to the attach file in this email to follow the guidelines for author to prepare a complete submission to JESTEC. Requirements for each document must be fulfilled as clearly stated in the guidelines.

3- All attached document in this incomplete submission will NOT be saved in JESTEC system. Hence, a new submission is required by sending again with all the 5 documents together with satisfied requirements in one email.

4- Also please notice that the similarity index is very high 26%. We usually do not accept paper with similarity index more than 20%. Therefore, we strongly recommend yu to reduce this index and submit a new Turnitin report.

We do hope to receive your new resubmission soon. Thank you for cooperation.

Regards

Dear Executive Editor

**Journal of Engineering Science and Technology (JESTEC)**

We are pleased to resubmit the enclosed manuscript " Implementation of Analytical Inverse Kinematics Simulation Method for 5-Dof Parallel Manipulator " for your consideration for publication in Journal of Engineering Science and Technology (JESTEC). The manuscript has never been published or under the consideration for publication elsewhere.

The similarity of this paper has been rechecked using Turnitin and the result showed 19% of similarity (the document is attached). We have submitted potential reviewers as you request. The potential reviewers are selected based on the similarity area of the expertise. However, we are very welcome to the other reviewer appointed by the editor.

We hope that our manuscript meets the high standard of your Journal and we look forward to hearing from you. Please address all correspondence to the corresponding author.

With best wishes

Dear Author

I am glad to advise that your paper has been accepted for publication without modification. The reviewers have no more comments and they are satisfied with the revised paper.

By this the review process is completed and we kindly ask you to check the format of the paper according to the instructions for authors and JESTEC template (attached).

Special attention to be paid for list of symbols used and the references. Please follow strictly the instructions for citation of the references (attached are instructions) and also explain each symbol you used and its SI units. Also refer to this link: <http://jestec.taylors.edu.my/instructions.html>

You are also kindly required to fill in the JESTEC-Copyright transfer form (use this link to download <http://jestec.taylors.edu.my/JESTEC-Copyright%20transfer%20ver%20060218.doc>) and send it back to me, later you may fax it as well.

Kindly note that you have only four weeks to submit the above.

Thank you and best regards
